

Kenter Canyon Elementary Charter School

New Parent Guide 2017-2018

Welcome to Kenter Canyon!

We have prepared this Guide for Kenter parents as a reference tool to help answer general questions about our school. If you can't find the answer within these pages, we urge you to visit the Kenter website at www.kentercanyon.org. You will need to register on the Kenter website ASAP so that you can start receiving the online Friday folders containing new information on upcoming events at Kenter.

We try to update the website weekly with all of the pertinent information you would need. The best way to find information on our website is to go to the Search area at the top right corner of the webpage and type in some key words. If you still can't find what you're looking for, we welcome you to contact our PSG President, Annie Krasnow (president@kentercanyon.org) Parent leaders and school leadership are here to help, so please don't hesitate to contact us.

FREQUENTLY ASKED QUESTIONS

1.What forms do I need to turn in the first week of school?

On our website, you will find an area titled "Forms You Need". The following forms need to be downloaded and returned to your child's teacher.

- Student Emergency Information Form
- Acceptable Use Policy for Usage of Computers Form

Other forms will be part of the LAUSD Student/Parent Handbook. State law requires that parents acknowledge receipt of this handbook. Please return the acknowledgement receipt of the Handbook. Within the Handbook, parents should return any form that applies to their families' desires, which may include:]

- Parent Student Handbook Acknowledgement Form
- Release of Information
- Ethnicity and Race Identification of Students
- Request for Pesticide Use Notification
- Youth Services Afterschool Agreement
- Restitution Policy

2.What is PSG?

The Parent Support Group is the parent fundraising association that provides the funding for our enrichment programs, instructional aides, equipment and supplies. In 1983, parents at Kenter Canyon organized a

non-profit corporation, the Kenter Canyon Parent Support Group, to raise money for art, music, drama, physical education, computers, aides, and many other extras that enhance our school. KCPSG is organized and run by parents who put on fundraisers and manage the more than \$750,000 raised annually. PSG also arranges community events, organizes volunteers for certain school events and assists with the website and other technology. Directors are elected for a two-year term. PSG general meetings are held at school in the Staff Lounge on dates noted on the website calendar. Everyone is invited and encouraged to attend.

3.What is Kenter Governance Council?

The Kenter Governance Council is responsible for making operational, curriculum related, budgetary and other policy decisions for our school. The Governance Council consists of the Principal, seven teachers, one non-teaching employee, seven parents of students attending Kenter, and one community member. This structure ensures that Kenter's programs address the needs of the student body, the parents, and the community it serves. Representatives have overlapping, two-year terms and are elected by their peers. Governance meetings dates/times are noted on the website Calendar.

4.What are Head Room Parents?

The Head Room Parent is the liaison between the teacher and the rest of the parents in each classroom. Head Room Parents check in with the teacher on a weekly or bi-weekly basis and find out if they need anything. They serve as the "go to" person when parents have questions, and they coordinate a number of different volunteer positions. In addition, Head Room Parents act as a liaison between PSG and the rest of the parents in the class by distributing important information and encouraging class participation in PSG-sponsored events. Head Room Parents are asked to attend the monthly PSG meetings to keep them informed of current and upcoming PSG matters.

5. What are Classroom Volunteers?

Classroom volunteers oversee activities in your child's classroom. These positions require helping the students with things such as classroom art projects, library time, emergency kit collection, etc. Serving as head of a class committee is a great way to develop a relationship with your child's teacher and to meet the other parents in your classroom. Some of these class committees also serve as a class liaison to PSG committees (such as Family Festival, Book Fair/library etc.). These committees enable you to meet other parents in the Kenter Canyon community. Please see the

Classroom Volunteer Signup sheet on our website for job descriptions and decide which ones you would like to volunteer for.

6. What fundraisers and community events does Kenter have?

Kenter has many different fundraisers during the school year. We hope that Kenter families will participate in all of our fundraisers to the extent that they are able, as we have found that our fundraisers are also some of the most fun community events around! Listed below are a few of the biggest fundraisers; however, we also have a Book Fair, Spirit Wear Sales, as well as other events throughout the year.

- **Annual Giving/Class Dinners:**

These occur in the first two months of school. Your Class Dinner is an opportunity to get to know each other and your teacher. One family hosts the dinner at their house and usually everyone brings food, drinks, etc. It's a parent-only event. It is also the start of Kenter's largest fundraiser, the Annual Giving Campaign. 100% of the funds raised from this Campaign go directly to the school and programs for your children such as Science, Computer, Art, Music, Physical Education, Library, Aides in each classroom and more. The suggested donation is **\$1350.00 per child**. Obviously, some families are able to give more, and some cannot. This is completely voluntary and at the discretion of the family.

- **Party Book:**

This is one of our most popular fundraisers. Kenter families host and underwrite different kinds of parties for kids and adults, and the attendees pay a fee to attend the parties. Successful parties in the past have included Poker Night, pajama parties, cooking classes, Sports Mania, etc. There is a Party Book kick-off where you can sign up to attend as many parties as you like. If you can't attend the Party Book kick-off, the Kenter website will list those parties that are not sold out, and you can sign up online at any time during the year. All proceeds from Party Book events go directly to PSG to fund the enrichment programs at Kenter.

- **Coyote Prowl**

The Coyote Prowl, Kenter's Walk-A-Thon, combines exercise with a fun way for students to feel pride in helping their school. This spirited, school-wide event involves all of the kids walking or running laps around the South Yard for pledges. 100% of the funds raised

will benefit our students and will support all of our enrichment programs and classroom aides.

- **Online Auction and Gala/Live Auction:**

The Online Auction is run completely online and spans over one week. You can bid on a variety of items in the privacy of your own home. At the end of the week, we will celebrate with our famous Gala and Live Auction. This is THE party of the year and should not be missed!!

7. What is the Directory?

The Kenter Canyon Directory is an online listing of each student and family at Kenter on our school website. The Directory is solely for the private use of the Kenter Community and is a valuable resource for staying connected to other Kenter families. This information is NOT taken from the LAUSD enrollment database, rather you must consent to being part of the online Kenter Canyon Directory when you first register on the Kenter website. Only those families that provide their information will be included in the Directory. Once you have completed the online consent form as a new parent, you will be included in the Directory.

8. What is the Class Roster?

The Class Roster is used by class parents only. This roster will be compiled quickly, with parental consent, to be used as a tool for communication within the classroom. The Head Room Parent will create and provide the roster to all families in the class.
