

CALL FOR VOLUNTEERS!
Tuesday, April 5, 5 – 7:30 p.m.

This PSG-sponsored event is welcomed by Kenter Canyon students and parents every spring, while also highlighting science. **The event is run by volunteers.**

We need parents to either lead or assist in presenting 30 minute workshops that evening. No science knowledge is required! We'll also need parent volunteers to help with set-up during school hours that day, or immediately afterschool that day, help with concessions during the event, and cleanup afterwards.

For questions, please email ScienceNight@kentercanyon.org

Stay tuned for the announcement of Science Night student registrations.

YES, I CAN HELP with SCIENCE NIGHT!

Please fill out and return to Science Night cubby in the Main Office
