TERRY L. MORAN

Here's to the school where we like to go
Here's to the school that's the best

Ker - ter can - yon we love you
We've got our own for the teachers too
we have all the other schools
sent a mile
and over had it on them for a good long while so
Let's be up and do - ing it's our best role
Ker - ter school
Ker - ter school
Ker - ter school
Ker - ter school
Ker - ter school
Ker - ter school
Ker - ter school
Ker - ter school
