

# *Kenter Canyon Elementary Charter School*

**It's easy!**

**It's fun!**

**It's rewarding!**

1. Read each day during your summer break for at least 20 minutes. Read books from a variety of genres and authors!
2. Select one of your favorite books to create a "book project." Two books can be used for the project if they are used for comparing and contrasting or such.
3. The Principal's Summer Book Project can be as creative as you wish. Your entry might be a puppet show, a brochure about the book, a written book report, 3-D art, or any combination of whatever you wish to do to share your favorite books that you read during the summer vacation.
4. The project size may not exceed 12 inches X 18 inches but may be any dimension smaller than that.
5. Submit only one book project per student to Kenter's Parent Center when you return to school in August. The deadline to submit your Principal's Book Project is Monday, August 21, 2017.
6. One student's Book Project will earn the prize recognition of a trophy to be presented at Back-to-School Night on Tuesday, August 29, 2017 in Kenter Coyote Courtyard.
7. Book Projects will be displayed at Back to School Night to motivate others to want to read your favorite book!
8. Read! Read! Read! Create! Create! Create!  
Write! Write! Write!-----add the wonder of reading to your summer fun!
