October 20, 2017

Dear Parents/Guardians for Grade 1,

We are pleased to announce that starting Monday, October 23, 2017, our first grade students will report to the North Playground area for "before school time" activities. This will provide an opportunity for our grade 1 students to engage in increased physical activities prior to the start of the instructional day.

Parents may drop-off first grade students at the south yard valet-drop off zone, front loop drop off zone, or park and walk your child to any entrance including the kindergarten gate. The grade 1 students will then walk to the North Playground area. When the bell rings, the grade 1 students will line-up on the basketball court and wait for teachers to greet them.

If you choose to use the valet drop-off zone, please be reminded to remain in your vehicle and do not allow your kids to leave the car until a volunteer opens the door to assist them. The students will enter through the gates and use the interior pathway to get to his or her designated activities' area on the north yard.

At the end of the day, parents may access grade 1 classrooms using the entrance gate near the Main Office or through the kindergarten entrance gate. The kindergarten gate will be locked 10 minutes after the dismissal bell to accommodate the S.T.A.R. program needs.

Should you have any questions, please contact your child's teacher.

Sincerely,

Dr. Moren, Principal  
Mrs. Radai, Room B1 Teacher  
Mrs. Robinson, Room B2 Teacher  
Mr. Gabel, Room B3 Teacher  
Ms. Paiva, Room B4 Teacher
