

This holiday season, we are once again partnering with Children's Hospital of Los Angeles in their Holidays from the Heart program. <http://www.chla.org/holidays-from-the-heart>

Each year the Children's Hospital staff selects 6 families for Kenter who struggled financially before unexpectedly incurring the insurmountable medical costs of caring for a sick child. These families, diverse in culture, religion and ethnicity, are unable to provide for themselves and their children throughout the year, least of all during the holiday season. This unique program identifies the patient and family members who live in the same home, as they all endure the tremendous burden of caring for a chronically ill child. Holidays from the Heart acknowledges that hardship and focuses on helping these families have a holiday celebration with lasting memories and gifts that will improve their lives.

### Thank You

Over the last 4 years this program has given our younger Kenter children an uncontainable excitement in giving, our older children a deeper understanding of philanthropy and global need, and our parents lasting bonds, all strengthening our Kenter community. Our collaboration's impact on the Children's Hospital families is emotionally and physically immense and indescribable! The Kenter Canyon Holidays from the Heart Committee thanks you for your ongoing support, making this one of the most meaningful endeavors our families experience at school. We are excited and looking forward to another successful year!

## Holidays From The Heart 2017

### November 13 KICK-OFF WEEK

The kids will hear about the program and see a presentation in class about the last 4 years of HFTH here at Kenter!

### Late November GIFT COLLECTION

Each grade receives the patient and family that they will be sponsoring this year. Kenter families will drop off gifts on the wish list to designated sites at the school.

### December 7 WRAPPING PARTY

All Kenter families are invited to stay after school and wrap and organize presents and enjoy a few treats!

### December 9 & 10 GIFT DELIVERY

All Kenter families are invited to deliver all the collected presents to our Children's Hospital families.
