Los Angeles Play Reading Theater

The Los Angeles Play Reading Theater is seeking both participants and audiences for its initial season of readings! Reader's Theater is the dramatized reading of a play, but doesn't require memorization, costumes, or sets.

Under the direction of critic/playwright Rick Takove, the first offering will be a free reading of Hugh Wheeler's acclaimed, bittersweet comedy of '60s New York intellectuals,

BIG FISH, LITTLE FISH.

If you are interested in being a participant / reader,
