

Kenters got Talent

Kenter Talent Show 2018

INSTRUCTIONS FOR SENDING MUSIC FOR ACTS

Hi Parents,

We wanted to send you detailed information about how to get your child's music to us for the talent show. This will save you loads of time and us too. We need their edited, 90-second (or under) music no later than **Friday Feb. 9th**.

Do's:

1. Please email a copy of the EDITED music no longer than 90 seconds to pwmediaproductions@gmail.com. For the auditions, acts can bring it on their phones and play via our Bluetooth speaker. However, we will need the emailed and edited version as soon as you have it and definitely the week before rehearsals. (fyi, it's always good to have a backup of the song for auditions or email to us even if bringing on their phones)
2. The file should have an .mp3 or .mp4 file name.

Dont's:

1. Please do not send us entire songs. We cannot edit them.
2. Please do not send the songs as YouTube videos. They must be edited to 90 seconds or less and .mp3 or .mp4 files.
3. No CDs of music
4. No thumb drives of music that need to be returned.

Thank you in advance! We are so excited about the show and seeing all the amazing acts your children are working on! It's going to be so fun!

Kristen Govindraj and Nicole Williams, Talent Show Co-Chairs
