

# SPRING 2018

## AFTER SCHOOL CLASS SCHEDULE

### APRIL 9 - JUNE 1

#### IMPORTANT INFORMATION

##### Online Registration

begins Monday, April 2nd @ 9 am through

[www.kentercanyon.org](http://www.kentercanyon.org) OR by the link below

<https://kenterafterschoolclasses.onlinepartybook.com/catalog.php>

Classes that become full during the online registration process will state that they are full, but you may place your child on the class waitlist. If a spot becomes available, the After School Coordinator will e-mail the first person on the waitlist. You may e-mail [afterschool@kentercanyon.org](mailto:afterschool@kentercanyon.org), if you have any questions.

Be sure to include your name, a contact e-mail and your child's name, grade and room number. Once you hit SUBMIT on the online registration form, remember to continue on to the PayPal site to complete the registration process. Your PayPal receipt is proof of payment for the classes.

For all classes available to Kindergarten and 1st grade students, please note that neither LAUSD nor PSG employees are allowed to walk students to or from an after school class. Students in Kindergarten and 1st grade must be accompanied to their after school class by a parent or parent designee (such as another parent, nanny, sibling in grades 2-5, etc.)

##### REFUND POLICY

Should you need a refund for any reason, a 10% processing fee will be kept for all payments. NO refunds will be given after the third week of classes.

IF a class is canceled for any reason, a full refund will be given to the parents.

**QUESTIONS?** Please contact the After School Coordinator at [afterschool@kentercanyon.org](mailto:afterschool@kentercanyon.org)

# MONDAY CLASSES

3 - 4 PM

**\*\*THERE ARE NO CLASSES ON MAY 28TH\*\***

## CUTE AND CUDDLY ANIMALS! - \$165

Parker Anderson - Grades K-3- Science Lab

Min 5/ Max 20

Cute and Cuddly Animals! is a hands-on experience with some of the most adorable animals around! Kids will enjoy learning about new animals each week, such as guinea pigs, ferrets, miniature chickens, bunny rabbits and more! This exciting and enchanting class is perfectly suitable for students of all ages!

## BREAK DANCING - \$165

Funky Divas & Dudes - Grades K-5  
Auditorium (or RM 8, if unavailable)

Min 8/ Max 20

It's time to break out the break-dance moves and get ready to move! Students will learn some basic dance moves and get to show their skills during their end of session performance for parents, family, and friends!

## TENNIS - \$175

TGA - Grades K-5 - South Yard

(Rainy Day- RM 101) Min 6/ Max 20

NEW to TGA: STEM experiments that help students understand the science of the game relating to racquet stroke, ball speed and bounce, and angles.

Fun comes first in every TGA class, but our curriculum also focuses on improving motor skills and physical fitness as well as instilling self-confidence and life values through tennis instruction. Students learn the fundamentals, etiquette and rules of the game in the comfortable environment of your school campus with a low 10:1 student instructor ratio. Best of all, we provide all the equipment and training materials so children of all skill levels have the chance to come out and play with TGA.

# TUESDAY CLASSES

## 2 - 3 PM

### SOCCER CLASS (K-2ND) - \$175

Mr. David Turcios - Grades K-2 - South Yard

(on rainy days in RM 103) Min 5 / Max 12

Do you love playing soccer? If so, come join us for a great time of playing, training, and learning fundamental aspects of soccer. We will work on developing our skills, as well as improving in our feet coordination. Furthermore, we will work on enhancing our performances in game-like settings. We hope you can join us for this fun experience!

### FARSI LANGUAGE CLASS - \$175

Aria Farsi - Grades K-5 - RM 204

Min 5 / Max 12

Salam! Come immerse your child in the beauty of the Farsi language. The students will learn and practice their Farsi through fun games, making it an exciting learning environment. Class intended for students of all levels from beginners to students already familiar with the language.

### SEW MUCH FUN! - \$175

Visions of a Daydream - Grades 1-5 RM 102

Min 5/ Max 12

Time for some sewing fun! In this class we will learn hand stitching techniques, create our own stuffed animals, and more!!

### EXTREME ANCIENT ENGINEERING WITH LEGOS! - \$175

Professor Egghead - Grades K-3 - Science Lab

Min 5/ Max 15

Strap in, because this session the Egghead Engineering team is hopping in the time machine and going back in time to build huge engineering marvels! Using LEGOs, students will build awesome ancient creations like aqueducts, huge dams, wells, and giant coliseums. Then, we'll test them with the crush test, the weight test, and all of our other tests to make sure they can stand up to the challenge!

### HOGWARTS ACADEMY! - \$175

Visions of a Daydream - Grades 1-5 - RM 101

Min 5 / Max 20

Perfect your magic skills in this interactive, creative, spell-binding class! Find out which house you belong to and learn how to make potions, use your wand, identify creatures, and more! Witches and wizards of all ages will graduate the Academy with the supplies and skills to use their magic for good.

# WEDNESDAY CLASSES

## 3 - 4 PM

### CHESS - \$175

Parker Anderson - Grades 1-5 - RM 104

Min 6 / Max 20

We introduce chess to students in a fun and exciting way! For all students and all levels, we teach students to play chess and help them succeed in school by stimulating their problem solving skills, analytical skills, and critical thinking. Includes exclusive booklets and worksheets. Win certificates, medals and trophies!

### KEYBOARD PIANO CLUB - \$195

Musical Minds - Grades K-5 - Science Lab

Min 8 / Max 15

Kids will have the opportunity to learn to play their favorite songs and music on the electric keyboards. Radio hits, movie and television themes are made so easy that you will be playing them the very first class! The club is a combination of keyboard piano lessons and a music learning workshop, which uses a clever visual method to teach the basics of reading music and playing piano. Each participant is supplied a keyboard, headphones and books during class.

### ART 101 - \$175

Ms. Annie Cauffman - Grades K-5 - RM 103

Min 5 / Max 10

Students will explore the basics of art in a warm nurturing environment, where everyone is an artist! Students will work with an array of drawing and painting materials creating a wide range of projects from a variety of subjects.

### RUNWAY FASHION - \$185

Parker Anderson - Grades 1-5 - RM 10

Min 5 / Max 15

The Fashion Design class is all about you! Create a "line" of clothing, from formal gowns to casual chic! Come up with your own design for a school uniform and make an outfit for yourself using clothes from your closet. It will be fun... and chic too!

# THURSDAY CLASSES

## 2 - 3 PM

### SPANISH FOR BEGINNERS AND INTERMEDIATE - \$175

Ms. Viviana Sanchez - Grades 1-5 - RM 203

Min 5 / Max 10

Hola! Como estas? Continue to immerse yourselves in the Spanish language with Ms. Viviana. Play fun games, as you learn and practice your Spanish! Class intended for students of all levels from Beginners to students already familiar with the language.

### KARATE - \$175

Karate 4 Kids - Grades K-5 - RM 7

Min 5 / Max 30

Come and learn the art of Karate! Veteran instructors experienced in martial arts will guide students along the path to a black belt. Students will gain confidence while having fun. More information about purchasing uniforms will be sent home after the first class, if you need to order a uniform. If the student already has a karate uniform, they may use it for the class. Uniforms must be white, but any belts earned by the students in other karate classes can be worn to this class.

### DINO ROBOTICS - \$185

H.M. Logi - Grades K-3 - RM 9

Min 5 / Max 15

Students investigate two fascinating and astonishing worlds throughout the year - the world of dinosaurs and the world of robotics. Our courses support Common Core standards in S.T.E.M. With this one of a kind program, students are familiarized with the stories of dinosaur species, their habits, food preferences and the reasons behind their extinction. Students will also take part of a quest to discover dinosaur bones using a kid-friendly excavation kit early on in the program. They will dig and find bones, which they will use to build a mini dinosaur model.

### SOCCER CLASS (3RD-5TH) - \$175

Mr. David Turcios - Grades 3-5 - South Yard

(on rainy days in RM 103) Min 5 / Max 15

Do you love playing soccer? If so come join us for a great time of playing, training and learning fundamental aspects of soccer. We will work on developing our skills and as well as improving in our feet coordination. Furthermore we will work on enhancing our performances in game like setting. We hope you can join us for this fun experience.

# THURSDAY CLASSES (CONT.)

## 2 - 3 PM

### GOLF - \$185

TGA - Grades K-5 - South Yard

(on rainy days in RM 101) Min 5 / Max 20

TGA premiere Junior Golf brings golf instruction to your school! Our national, award winning, 5-level program is specially designed for children. Fun comes first in every TGA class, but our curriculum also focuses on improving motor skills and physical fitness as well as instilling self-confidence and life values through professional golf instruction. Students learn the fundamentals, etiquette and rules of the game in the comfortable environment of your school campus with a low 10:1 student instructor ratio. Best of all, we provide all the equipment and training material so children of all skill levels have the chance to come out and tee it up with TGA.

### PROFESSOR EGGHEAD: DETECTIVES - \$175

TGA - Grades K-5 - South Yard

(on rainy days in RM 103) Min 5 / Max 15

Come join the Egghead Detective squad this session to solve the mystery of the stolen portrait! Eggheads will dust for fingerprints, decode secret messages, analyze DNA, and use real forensic science techniques to find the missing artwork! The best part? They get to take it all home at the end of each class! All Eggheads will also get their Detective ID card, authorizing them to use real science to solve mysteries.

# FRIDAY CLASSES

## 3 - 4 PM

### TECH KIDS MINECRAFT! - \$175

Parker Anderson - Grades 1-5 - Science Lab

Min 5 / Max 15

Make Minecraft Legos come to life using Stop-Motion animation! Storyboard ideas, develop plots, and create unique Lego characters & sets as you bring inanimate objects to life! Each student receives a copy of the collaborative class work at the end of the session.

### SO YOU THINK YOU CAN DANCE? - \$175

Funky Divas and Dudes Grades K-5  
Auditorium (or RM 10, if unavailable)

Min 5 / Max 20

Catch on to the latest dance craze! Learn the basic techniques of dance and how to move to the beat! Routines are taught which help you develop sequential memory. We groove to Katy Perry, Black Eyed Peas, Taio Cruz, Selena Gomez, classics from the past, and all of your favorite tunes! On the last day of class, a performance in costumes will be held for all of your family and friends to come see you groove.
