

Access Books Book Drive Begins on: Tuesday, September 11th thru Thursday 20th

Many children in the Los Angeles area have little or no access to high interest reading material. Conducting a book drive will help fill the gap and bring the joy of reading to countless children. Since 1999, Access Books has donated more than a million books in Southern California.

Starting Tuesday, September 11th, our goal is to collect 3000 new or gently used reading books for children, grades K-5 only. Please place your donated books in the Access Books boxes directly in front of the Library. Then join us on
