GRADE 5 PARENTS' MEETING SCHEDULED MONDAY, APRIL 29, 2019 @ 8:15 in Library

April 5, 2019

Dear Parents/Caregivers for students in the "Class of 2019",

As a parent/caregiver for a grade 5 student, you have the opportunity to use your creativity as well as organizational and economical skills to plan the grade 5 activities that are afforded to our culminating class. We are quite convinced that the parents of this year's class will provide a spectacular and memorable experience for our students. Kenter schedules the following activities for its grade five students:

- Class of 2019 vs. Staff Kickball Game on Monday, May 20, 2019 @ 10:45 a.m.
- Class of 2019 Picnic following the game on Monday, May 20 @ 12:30 p.m.
- Class of 2019 Luncheon & Party on Friday, May 24 @ 12:15 p.m.
- Class of 2019 Culmination Ceremony/Reception on Friday, June 7 @ 8:45 a.m.

Each of these activities is planned and executed by grade 5 parents in cooperation with Kenter grade 5 teachers and administration. Funding has been budgeted through PSG as follows:

- \$3500 for sports activity, picnic, luncheon & party
- \$1500 for the culmination ceremony & reception

It is important for parents to know that while we must adhere to LAUSD guidelines for use of instructional time and use of their facility, we want our parents to "think outside of the box" and provide fun-filled opportunities for our students. It is always a delight for us to see the creativity and elements of "surprise" that parents use to pull off these awesome events. We are confident that this year's grade 5 parents will exercise the same kind of dedication, cleverness, and commitment that we've seen in past years.

A meeting is planned on April 29, 2019 at 8:20 a.m. in the Library for grade 5 parents so you can begin planning these activities. We trust you will be able to offer support, leadership, and participation to those events that fit your schedule as well as your interests and skills. Please complete and return the attached questionnaire so that those who volunteer for the various committee chairs will know how they can depend on you. Please return the attached survey to your child's teacher no later than April 12 even if you plan to attend the April 29th meeting. We will compile the information from surveys for all committees and parties.

The dedication you provide to your child's school activities is admirable and we look forward to your involvement in these exciting grade 5 activities as we prepare our grade 5 students and their families for their final days in elementary school.

Sincerely,

Dr. Terry Moren
