

Dear Parents of 5th Graders:

We plan to do a special page in the yearbook this year featuring FLASHBACK photos of your children: Two photos, one in kindergarten or 1st grade, and a second of the same kids in same location with the scene recreated as 5th graders now. See example below. We hope to include approximately 20 photos. **Parents please submit your set of photos by March 20th.**

Guidelines:

- Photos should include a **minimum** of **two** kids in the shot
- Photos should be taken in the same place and must be **ON** campus
- List all kids' names
- Upload photos to the Dropbox link [here](#) before **March 20th**

Cheers,
